Sir

Subject - Supersession of Thirthahalli Minor Municipality - Continuance of

In inviting reference to G O No L 8242-45/M1 164-40-2 dated 14th May 1942, continuing the supersession of Thirthahalli Minor Municipal Council for a further period of one year from 1st July 1941, I have the honour to state that the period of supersession of the Municipality expires on the 30th June 1942

The Amildar-President of Thirthahalli Municipality has submitted a detailed report(No M C 276/41-42 dated 4th May 1942) which is herein enclosed for kind reference in this connection It is seen that during the period of supersession there has been steady increase in the amenities afforded to the public, that the collections under Octroi, Mohatarfa and other items of municipal revenues have improved and that considerable amount of arrears have been collected and that heavy sums ~~have~~ were due to the several Institutions by way of contributions and that arrangements were made for the payment of the arrears along with recurring contributions during the current year

Further, the Amildar-President has stated that Thirthahalli Town has still certain wants of urgent nature, such as providing proper drainage, water supply and Tarring of the Car Street, to be attended to A large sum of money is required for these items The Municipality is in its present state not able to finance or contribute even a quota towards the said schemes, without further improving its financial position

position In view of the mischievous tendencies and party feelings in Thirthahalli Town, the Amildar-President considered that it is not desirable to ~~xxxx~~ revive the council at this juncture as such a revival will affect the revenues of the Municipality adversely He therefore recommends that the supersession of the Municipality may be extended for a further period of two years

The Sub Division Officer, Shimoga agrees with the Amildar-President and states that the attitude of the people of Thirthahalli Town and their actions do not display their keenness to interest themselves in the affairs and administration of the Municipality, and that a revival of the municipality will again make it a hot-bed of low politics, intrigue, and obstruction of proper administration He therefore supports the recommendation of the Amildar-President for extending the period of supersession of this Municipality for a further term of two years

I have looked into the matter and examined the position I agree with the views of the Amildar-President ~~of~~ and the Sub Division Officer and I feel that in view of the unhealthy and mischievous tendencies and party feelings, the interests of the municipality will be greatly jeoparadised, if the Municipal Council is revived now and that further extension of the period of supersession of the Municipality as proposed is quite necessary and desirable in the interests of the administration of this municipality I may add that there have been no representations, so far, from the public of Thirthahalli for the revival of the Municipal Council

In these circumstances, I recommend that the supersession of this minor Municipal Council may be continued for a further period of two years from 1st July 1942 I request that very early orders of Government may be kindly obtained in the matter

I have the honour to be,
Sir,
Your most obedient servant,
